

FEELING

INT. UNIVERSITY CORRIDOR - DAY

A WOMAN in a cap walks, looking at her phone. A HOODED MAN enters behind her and takes the same route.

MAN (O.S.)
What the hell are you doing?

She turns to look back.

CLOSE ON her feet as she keeps walking.

MAN (O.S.)
I told you to stop.

INT. STAIRWELL - CONTINUOUS

She descends, holding her phone. The man appears in the doorway at the top of the stairs.

INT. LOWER CORRIDOR - CONTINUOUS

She glances sideways as she walks. Behind her, the man closes the distance.

INSERT - PHONE SCREEN: She enters 911 on the keypad.

Beside the lockers, the man walks past her, a phone pressed to his ear. His free hand gestures sharply.

MAN
(into phone)
Don't hang up on me, okay?

He continues down the corridor. She puts a hand to her chest and relaxes as he walks away.

FADE OUT.
